

**Final Agenda
Casco Bay Regional Shellfish Working Group
Meeting**

**December 6, 2022 from 10-11:30 AM
Morrell Meeting Room
Curtis Memorial Library
23 Pleasant St., Brunswick**

9:45 – Doors Open (coffee and baked goods will be available)

10:00 – Welcome and Introductions

10:05 – Town Sharing

One representative from each municipal shellfish or marine resource committee will respond to a few questions:

1. What are current focus areas for your committee and/or harvesters in your town?
2. What are the obstacles to addressing the shellfish community's needs?
3. What are one or two *shared* topics or issues in the region you would like the WG to consider focusing on in 2023?

10:30 – Presentation: Working Group 2022 updates

- Preserving intertidal access
- Fall meeting with land trusts
- New tools to support shellfish conservation and water quality monitoring
- Casco Bay shellfish landings data

10:50 – Group Discussion: Planning for 2023

- Develop a list of potential WG projects

11:25 – Announcements and Next Steps

- Update - DMR and IF&W Airboat Consensus Group
- Shellfish Advisory Council Meeting: December 14
- Shellfish Focus Day at the Maine Fishermen's Forum: March 2
- Next WG meeting – winter 2023

11:30 – Adjourn
