

**Agenda  
Casco Bay Regional Shellfish Working Group  
Meeting**

**November 29 from 1-3:00 PM  
Morrell Meeting Room  
Curtis Memorial Library  
23 Pleasant St., Brunswick**

**12:45 – Doors Open** (light refreshments will be available)

**1:00 – Welcome and Introductions**

**1:05 – Town Sharing**

One representative from each municipal shellfish or marine resource committee will respond to a few questions:

1. What are current focus areas for your committee and/or harvesters in your town?
2. What are obstacles to addressing needs of the shellfish community?
3. What are one or two *shared* topics or issues in the region you would like the WG to consider focusing on in 2024?

**1:30 – Presentation: Working Group 2023 updates**

- Yarmouth Clam Festival
- Residency Requirements Guidance Document
- Intertidal access initiatives

**1:45 – Group Discussion: Planning for 2024**

- Develop a list of potential WG projects

**2:25 – A Conversation with Friends of Casco Bay**

- Join Ivy Frignoca, the Casco Baykeeper, in a conversation about shore access and what you are noticing on the mudflats

**2:55 – Announcements and Next Steps**

- Upcoming regional and statewide events
- Steering Committee project prioritization
- Next WG meeting – winter/early spring 2024

**3:00 – Adjourn**
